

Qazal Heydari

Graphic Designer

I am a highly motivated and creative graphic designer with a flexible approach to project timelines. I bring experience working both independently and collaboratively in structured environments. My primary focus is delivering high-quality, detailed designs on time, ensuring each project meets the highest standards of excellence. I'm always eager to collaborate and bring fresh ideas to the table, making sure every project is both professional and enjoyable.

Experience

Full time Graphic Designer In Mehran Kermanshah Company 2016 - 2019

Graphic Designer/ May 2018 - Jun 2019

- Created a number of environmental designs, such as wayfinding systems and interior design.
- Also, I was active in print and publication design, creating a range of brochures, billboards and stationery designs.

Graphic Designer/ July 2017 - April 2018

- Created a range of social media graphics, including informative posts, infographics, and interactive user posts.
- Collaborated with the lead graphic designer to design headers, logos, business cards, and calendars.

Office Assistant/ September 2016 - June 2017

- Provided quality customer service by answering general inquiries, primarily through phone interactions.
- Assisted customers in person, over the phone, and on social media with arranging appointments.

Full time Graphic Designer In Atash Printing-house 2022 - 2023

Graphic Designer/ September 2022 - July 2023

- I have been most active in branding design, including logos, Letterhead, business cards, and brochures.
- Created a range of publications and typographic designs such as editorial layouts and typesetting for books and magazines.

Freelance Designer on Social Media 2023 - 2024

Graphic Designer / October 2023 - July 2024

- During this period, I have provided graphic design services to various clients through email and social media. My work has primarily focused on logo design, posters, catalogs, and brochures. Additionally, I have edited short videos for content creation purposes. For some clients, I have also developed packaging designs and branding concepts.

Working on Myself and Creating Music August 2024 - Now

- I took a break from my graphic design career to focus on personal growth and dedicate time to my music. :)
